When does the season begin?

The spring Learn2Play season begins in early April and concludes in mid-June. For the fall, the Learn2Play season begins in early September and concludes in mid-November.

What day does the program take place?

Learn2Play sessions take place on Saturday mornings. The program runs for 8 Saturdays each season. There are no sessions in the spring during Memorial Day Weekend or during the fall during Columbus Day Weekend.

Are there practices and games?

For the first 6 weeks of Learn2Play, the instructional format is designed as clinic-style training. Weeks 7 and 8 incorporate scrimmage soccer games that follow a 3v3 and 4v4 format.

Can I drop my child off and just return at the end of the session?

This is ***not*** an option for the Learn2Play program. A parent or guardian must be present at all times while his/her child is participating.

My child would like to play with a friend. Is this possible?

After registering, please send any friend requests via email to jeff@enfieldsoccer.com. We will do our best to honor friend requests but can't always guarantee it.

Who are the coaches?

We choose experienced coaches to lead each field. Volunteers from our high school, competitive, and academy teams also fill in to assist with the sessions each week. If you are interested in helping coach your child's field at Learn2Play each week, please email jeff@enfieldsoccer.com.
